

## Vrit Technologies Training Refund Policy

At Vrit Technologies, our commitment is to provide a seamless and enriching learning experience for our students. We understand that circumstances may arise, which prompt the need for a refund. To ensure transparency and fairness, we have outlined the following refund policy:

- **Refund Eligibility:** Refunds will be considered only if the classes do not commence within 45 days from the date of payment.
- **Refund Process:** To initiate a refund, you are required to fill out a self-declaration form. Approval of this form is essential for the processing of your refund.
- **Refund Limitation:** Once classes have started, refunds will not be issued. This is because, upon receipt of your first installment, we invest in essential licenses and resources to enhance your learning experience. Unfortunately, these resources become non-refundable once acquired. Therefore, after the commencement of classes, we are unable to process refunds, as these resources are integral to the overall learning infrastructure.

We understand that unforeseen circumstances may arise, and we are here to assist you throughout the process. In the **case** of:

a. Change of Interests:

We recognize that interests may evolve over time. If there is a change in your academic or professional pursuits, we are happy to facilitate a smooth transition by allowing you to change your course. Please contact our support team to discuss your options.

b. Occurrence of Unforeseen Circumstances or Other Commitments:

If unforeseen circumstances or other commitments arise, you can gain access to recordings of the current batch and be seamlessly shifted to the next batch at no extra cost.

We appreciate your understanding and cooperation in adhering to our refund policy. Our goal is to ensure a positive experience for all our students, and we are committed to handling refund requests with diligence and respect.

Thank you for choosing Vrit Technologies. We deeply appreciate the trust you place in us!
